

TERM 1 2010 SPECIAL OFFERS!

Lifekeys friends

Happy New Year

Welcome back from your break!

We hope that you had a blessed Christmas and that you feel well rested and rejuvenated as we start the new year! There is something extra special about a new year - a time to reflect on what has been, a time to get excited over what the future may hold and a time to start setting some new year's resolutions!

We hope that you are feeling as excited as the Lifekeys team are, about the exciting opportunities you will get to partner with us this year. Some **NEW** things to look forward to: **special offers on programs and manuals for each term, quarterly newsletters to help you better 'Prepare, Equip and Serve' your community, regular information on our upcoming Lifekeys conference, invitations to Lifekeys program intensives and fast-track Facilitator Training seminars.**

As Term 1 is only 8 weeks, we encourage you to run our shorter programs -

- **Facilitator Training:** Train the people you have identified to be Facilitators and Co-Facilitators, to enable the roll out your church's Lifekeys strategy for 2010.
- **Kids with Courage:** This program is vital if your church wishes to be involved in community outreach and the equipping of children with the skills to cope with life's challenges.
- **Parents with Courage:** The health of a family starts with the parents. Provide your community with a program that will bring families together.
- **Search for Intimacy:** This program can be shown to young people from age 16 upwards - the teenagers of today need to hear this valuable teaching on sex and relationships!

FACILITATOR TRAINING (7 sessions)

who is this program for?

We encourage you to take any person, who is involved in your church at any leadership level, through this program. Some examples are:

- homegroup leaders
- youth & young adult leaders
- ministry and missions teams
- Pastoral care & discipling pastors
- as well as those who want to facilitate Lifekeys

PARENTS WITH COURAGE (7 sessions)

who is this program for?

- Married couples
- Single parents

with older primary and high school aged children, though parents of younger children will benefit.

To view detailed information on what each session covers and to watch a video preview of the program please [click here](#).

outcomes & benefits

- Participants will gain greater self-understanding as well as enhanced skills for parenting.
- Parenting will become more enjoyable, as strategies are learned to suit the particular family environment and needs of the child.
- Parents will gain a positive experience of community, which is especially beneficial to families who have isolated themselves and they will be provided with a vehicle where the philosophy that it "takes a village to raise a child" can be acted on and lived out.

a participant of the program writes....

"The Parents with Courage course has given me strategies to deal with family situations in a positive, confident and loving manner. Thank you!"
