

TERM 3 2010 SPECIAL OFFERS!

**Term 2 is nearly over and much has happened! The most exciting
- we had an awesome conference!**

*"It takes a lot of work to create a conference - but at the end of our 10th Anniversary conference all we could say as a team was: "How wonderful was that!" Over 400 delegates and guests gathered from all over Australia and other parts of the world to refresh and re-commit to Leading Healing Communities. Every session was valuable - and God touched us in every session - but on the Saturday afternoon there was a move of power and grace that has changed the future for many of those who were present. I just want to say "Thanks for coming" but more than anything "Thank you Lord! You never leave us or forsake us, but You broke through and we are grateful." **Allan Meyer***

Last Term our special offers included *Making Marriage Better*, *Search for Life*, *Woman to Woman* and *Valiant Man* programs and manuals. As Term 3 is 10 weeks we encourage you to run some of our 10 week programs. **Healthy Lifestyle**, **Door of Hope**, **Man to Man** and **Understanding Your Valiant Man** programs and manuals are all featured in our Term 3 special offers!

Healthy Lifestyle, Door of Hope, Man to Man, & Understanding Your Valiant Man

- **Healthy Lifestyle:** 1 in 2 Australian Adults are overweight! Being healthy has physical, mental, spiritual and social benefits. Why should your church offer this program? Research has shown that church support groups can assist individuals to initiate and maintain behavioural change. As well as this, churches have access to hard-to-reach groups of people - for example, those from

low socioeconomic backgrounds and different cultural groups.

- **Door of Hope:** In 2005 the statistics showed that one in six adult women in Australia had experienced sexual assault since the age of 15 years. This program provides an opportunity for women who have been abused to grieve their losses and to receive mutual support from one another as they work through similar challenges and struggles.
- **Man to Man:** Men provide support and strength to the family. It is therefore so important that men are healthy individuals, who take responsibility for making positive life changes. Provide your community with a program that empowers men to become all that God intended them to be.
- **Understanding Your Valiant Man:** Every second 28,258 internet users are viewing pornography. With porn so freely available men need strategies to overcome these temptations, and the women in their lives need to know how to support them in this. This program is about showing women the journey the men are undertaking when doing the Valiant Man Course, thus giving them a greater understanding of the men in their lives.
